DOG POLICIES

For Organized Events and Activities at the Showgrounds

-Dogs are **firmly discouraged**. For the safety of horses, drivers and attendees please refrain from bringing your dog to events, clinics & lessons. For necessary allowances due to travel situations please receive permission from the organizer prior to the event.

-For such allowance's owners will be asked to present a copy of the dogs' rabies certificate with show entry or upon arrival. All dogs must be on a leash and under direct control. Please securely contain your dog. NO tethering or tying out of dogs. NO hot cars. Containing your dog within a crate, trailer or stall is suggested.

On the main farm for extended stay

-Clients dogs are welcome to stay on the farm on a case by case basis with permission only.

-Please arrange your dog needs with Emily before your stay on the farm. It may not be appropriate to bring your dog depending on activity level around the farm. Please respect management's decision to decline visiting dogs.

-No dogs in the driving arenas, paddocks or pastures. We have kennels adjacent to the barns to securely and safely keep your dog out of the barns and working areas during business hours.

**** Management reserves the right to ask any non-compliant owners or those with misbehaved dogs to leave the premises at any time. ****
