Training Board – What’s Included

As we all know, fuel, feed, and hay prices have continued to increase. We have done our best to keep our prices as low as possible, for as long as possible. We want to provide the necessary carriage driving recourses and services at rates that are reasonable and therefore accessible. For this reason, lesson prices have not changed. We price ourselves on providing the best quality standard of daily care to your equines, as well as a safe environment for equine and driver education. This includes customized feed programs, extensive mowing, fence maintenance, providing safe carriages/equipment, and ongoing improvements to the facility for events as well as daily schooling opportunities.

Included: Blanket & Fly mask changes
Twice a day grain and nearly 24/7 hay depending on nutritional needs
We use Triple Crown and Purina products. Salt, electrolytes, outlast (gastric support) and a magnesium supplement are standard in our feed regimen.
Fly Spray, shampoos, ointments, grooming products etc
Holding and handling for vet, farrier & bodywork services
Use of our harness, carriages & equipment
Secure storage of your carriages & equipment
4 lessons or ride along w/horse your in training (no rollover month to month)
Night checks & on site staff
As well as truck & trailer accessibility for emergencies
